Marketing Description

A great addition to the existing range of Poplin shirts from Premier, this ladies' style is made with contrasting coloured yarns that are woven to create this horizontal and vertical cross effect. The blouse can be undone at the cuffs, rolled up neatly and secured in place by a tab and button on the upper arm, for a look that's cool, casual and bang on trend. Soft collar styling, together with a curved hem, bust and back darts make for a flattering fitted shirt for women.
